

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT  
PERMIT APPLICATION PUBLIC NOTICE**

**December 12, 2008**

**Permit Number:** OCRM-08-264-M  
**Permit ID:** 64910

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

**APPLICANT:** Pinkney Mikell  
C/O Mr. John Wade  
P. O. Box 686  
Isle of Palms, SC 29451

**LOCATION:** On and adjacent to Store Creek at 8974 Peters Point Road, Peters Point Plantation  
Subdivision, Edisto Island, Charleston County, South Carolina. TMS#: 025-00-00-154.

**WORK:** The work as proposed and shown on the attached plans consists of constructing a dock and an erosion control device. Specifically, the dock will have a 4' by 105' walkway, with handrails, leading to a covered 10' by 10' fixed pierhead. also with handrails, benches, water and electricity. Ebbside of the pierhead, a ramp will lead to a 10' by 30' floating dock. The applicant also proposes to install a 12' by 12' boatlift floodside of the pierhead. The erosion control device will consists of a 4' high by 700' long one-man size stone riprap revetment, constructed along an eroding portion of shoreline. The purpose of the dock is for the applicant's private, recreational and the riprap is for erosion control.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

*To assure review by OCRM, comments regarding this application must be received by OCRM on or before December 27, 2008. For further information please contact the project manager for this activity, Fred Mallett at 843-953-0236.*
